## Urgently Required

As Nicola will be moving to York shortly we need another Cook (Male or Female) for the Over 60s Lunch Club, on alternate Mondays.

Please prayerfully consider if you could be part of the team. We help one another so you wouldn't be left on your own. Perhaps you know of someone outside of the Church who could join us.

Do speak to Sandra Wood or Janis Armstrong for more information.

Help is also needed on Thursdays at Coffee Pot & Light Lunches. Again speak to Janis or Sandra for more information.

## Malawi Visit

I would like to thank all those who have supported the fundraising for Aquaid Life Line Fund.

This year's visit we will be celebrating the 20<sup>th</sup> anniversary of Aquaid Lifeline. There will be no accolades but as Josie and I visit the schools and day care centres we will be having Thanks Giving Services to give praise to God for all that has been accomplished through His love and grace. My grand daughter Emelia and I set off for Malawi on Sunday 16<sup>th</sup> June and return on Sunday 30<sup>th</sup> June. We would value your prayers for our journeys and our time in Malawi.

Please remember Ken too as he copes without me.

Many thanks for all the support I have had from DBC. This will be my 15<sup>th</sup> trip.

Priscilla Hills

## Safeguarding Training

As a church fellowship we are committed to offering excellence in Safeguarding so if you are involved in any activities at DBC where children, youth or Adults at Risk are involved then this notice is for you.

All workers need to consider undertaking or updating Safeguarding Training. Sessions are being offered in the next few months either in the YBA area or the EMBA area. Notices of the venue and times are on the notice board in the vestibule. Training will be paid for by the church.

Ann Armstrong, our Safeguarding Administrator, is going to build a record of training taken so that she can remind folk when training updates are needed. If you have any questions please contact any of the Safeguarding Team

**Recycling** - Thank you to everyone who has put worn our **pens, felt tips, highlighter and glue sticks** into the bin for recycling. Please only put these items in the bin - not crayons.

Some weeks ago I included a notice about recycling plastic bottle tops and other plastic tops (up to the size of fabric conditioner bottle tops) via LUSH at a freepost address. Unfortunately they have been so overwhelmed that they have had to withdraw this facility. However they can still be recycled at their stores in Sheffield or Meadowhall. If you are unable to get to LUSH please let me have them and I will take them. I hope to install another small bin to collect these in the next week or two. LUSH make counter tops with the recycled tops.

A great way to reuse plastic.
